ישראל לשלום להתפלל מוזמן

A Word from Bethel's Global Reach

It is our heartfelt prayer that over the next 10 days you will experience God in a way like never before. We hope that as you walk the footsteps of Christ (Physically) that you also walk the footsteps of Christ (Spiritually). As the Bible comes to life in the Chosen country of Israel you will see the Word come alive and excite a newfound passion in your love for God.

We thank you for entrusting us with your time, talent and your treasure!

- **Places in the Holy Land** | The Holy Land is a land filled with more than just milk and honey. It is a land filled with history, passion and with the presence of Jesus. Traveling through Israel, one has the opportunity to reach out and connect with the holiness of this place. Join this emotion filled journey, as you make your way through the stepping stones of His life.
 - **Bethlehem:** Only six miles south of Jerusalem you will find Bethlehem, the birthplace of Jesus of Nazareth and a site of invaluable significance to the Christian world. Bethlehem remains to this day a prime destination for tours to the Holy Land and Christian tours to Israel.
 - **Caesarea:** During the majority of Jesus' human life, the city of Caesarea remained under Roman rule. Like the rest of occupied Israel, Caesarea was made to fit the needs of the Roman Empire. Perhaps more so than any other city save for Jerusalem, Caesarea served the Romans as a major social, political and

commercial center—its proximity to Jerusalem and its construction on the Mediterranean shoreline making it desirable not only to the residents of Israel, but also to Judea, Egypt and Samaria.

- **Capernaum:** (pronounced Kefar Nachum in Hebrew) is currently an archeological site owned by two Christian denominations: the Franciscans who command the western part of the city, and the Greek Orthodox who control the western part including the city's ancient church.
- **Galilee:** Located in Israel's north, the Galilee region is most commonly associated with, on the one hand, mountainous scenery and a luscious landscape and, on the other hand, the famous Sea of Galilee. But the area has many more hidden treasures to offer, from historic monuments to excellent observation posts.
- **Jordan River:** Traditionally divided into three main sections, the Jordan River runs through the state of Israel from the northern tip all the way down to the center of the country. Beginning with its sources in the north of Israel and running down to Lake Hulah constitutes the Jordan's first section.
- **Mount of Olives:** Located on the eastern slopes of the Jerusalem mountains and set in relative isolation separated from the Temple Mount and the City of David by the Kidron Valley, the Mount of Olives is named after the olive trees that covered its grounds in Biblical times.
- **Nazareth:** A prime destination for Christian pilgrimages, Nazareth is home to countless churches and monasteries each belonging to a different Christian order or denominations. The majority of these shrines are named after and dedicated to Biblical events surrounding Christ's life.
- **Christian Sites** | From the Sermon on the Mount and the stories of His miracles through the Galilee to the solitude of the Garden of Gethsemane and the suffering of the Crucifixion in Jerusalem, uncover the world in which Jesus lived and defined a belief for generations to come
 - **Church of ALL Nations:** Believed to be Jesus' final sanctuary and the exact location of his Passion, the Church of All Nations (often referred to as the Basilica of Agony) is situated at the foot of the Mount of Olives in Jerusalem. It is in this pastoral location that, according to the scriptures, Christ was last seen praying before being captured by the Romans and sentenced to be crucified
 - **Church of the Holy Sepulcher:** Situated at the heart of the Christian Quarter in the Old City of Jerusalem, the Church of the Holy Sepulcher, also known as the Church of Resurrection, is a holy site for the city of Jerusalem as much as for the Christian world
 - **The Garden of Gethsemane:** Best known as the garden adjacent to the Church of All Nations and not too far from the Church of Mary Magdalene, wherein Jesus and his disciples came to pray after the Last Supper, the Garden of Gethsemane is historically linked to both prayer and betrayal

- **The Garden Tomb:** Located outside the walls of the Old City of Jerusalem, adjacent to the Damascus Gate, the Garden Tomb is the burial ground on which Jesus' tomb lies.
- **Christian Origins** | The Holy land provides the backdrop for one of the most powerful dramas to unfold on the stage of history. A place where past and present mingle together while traveling through the hills around [Nazareth](#) or the Valley of Gennesaret along the shores of the [Sea of Galilee](#), exploring the secret caverns of a Crusader fortress or hiking the beautiful trails of Caesarea Philippi. A place where modern cities such as Tel Aviv and Jerusalem are built on layers of history that come alive and provide a contemporary understanding yesterday and today come together in this young, vibrant and complex country.
 - **Jesus Boat:** The Boat of Jesus (also known as the Sea of Galilee Boat) was uncovered in 1986 on the northwestern shore of the Sea of Galilee, thanks to an otherwise unfortunate drought which caused the waters of the Galilee to recede. The boat is currently on display in the Yigal Allon Museum located in Kibbutz Ginosar
- **History & Historical Sites** | The *his-story* of this land becomes *your-story* as you travel the length and breadth of this holy land. Rocks and stone, combined with people and passion, provide the foundations of thousands of years of history. From the stories of Jesus in Galilee and Jerusalem and the compelling saga of Masada and the Zealots to the Crusades and the Ottoman Empire continuing through to the establishment of the State of Israel...Much, much more comes alive as you become an active participant in the unfolding next chapter of the story of this land.

WE WILL HAVE A TIME OF PRAYER AND DEBRIEFING AFTER EVERY NIGHT
